SAMPLE TEST -- PREVIEW ONLY

This is a placeholder document.
It shows where the real assigned
exam PDF will be displayed, next
to the answer sheet on the right.

No real Cambridge exam content
is included here.

In the live site, this panel will show the actual test PDF assigned to the student from the test bank (e.g. B2-RUE-001, C1-RUE-002...).

The link used to display it expires automatically and is unique to the student's order, so tests cannot be shared or accessed without a valid, in-progress exam session.
